Dear Mr. Venkatramaiahs,

Subject: Industrial School at Nelamangala - its continuance during 1936-37.

The proposal to continue the Industrial School at Nelamangala with the full-staff, has been referred to me unofficially for my examining the subject; and shall be submitting my considered opinion early. Meanwhile, the School has been working and the contingent and other bills connected with the School work and also the establishment bills have to be paid. The Comptroller has declined to admit these bills in audit for want of sanction of Government for the continuance of the school from 1-7-1936. No separate provision has been made in the budget for the year 1936-37 for the Nelamangala Industrial School.

In the above circumstance, I request you to kindly obtain the approval of Government to the continuance of the above school with its present staff and authorise the Comptroller to admit the bills pending sanction of Government to the revision of staff as already proposed As the work in the School and the staff will be put to considerable inconvenience if the bills are not passed, I request you to kindly obtain immediate approval of Government and communicate the same to the Comptroller and myself.

The charges on the above account may be debited to the

grant sanctioned ~~xx~~ under 28 I.& C. , 7 Industrial Schools, (2) district and taluk Schools, in the current year's budget.

OFFICE OF THE DIRECTOR,

Bangalore, dated 31st October *1936*.

Dear Mr. Venkataranappa

Industrial Schools at Nelamangala and Gudibanda - Continuance of the ---

I write to state that Government have authorised the Comptroller to admit the pay and other bills of the Industrial Schools at Gudibanda and Nelamangala to end of October 1936 pending orders of Government on the proposals for the reorganisation of the Institutions.

2 I have thought over the proposals for the reorganisation referred to me unofficially. It will not be possible nor conducive to give effect to any reorganisation in the middle of the School year. It is necessary to continue these Institutions on their present basis to end of June 1937 so that the education of the boys may not suffer.

3 I therefore request you to kindly obtain orders of Government for continuing these Schools till end of June 1937 and to admit the bills in audit for such period.

4. As the work and staff of the School will suffer if the bills for October payable in November 1936 are not admitted in audit, I request you, in the meanwhile, to kindly arrange for instructions being issued to the Comptroller authorising him to admit the bills for October in Audit.

Yours sincerely
